

Right now, we are seeing America gripped by what is happening with the attack on motherhood and children. On this anniversary of 9/11, we can also sense a spirit of chaos and heaviness trying to invade our borders. We believe this door to death, threatening to open over America, can be shut the same way it came down as we prayed together on October 12, 2024!

This evening, and every evening through the Day of Atonement, we will hold nightly 30-minute prayer calls on Zoom. We believe this alignment with the Hebrew calendar has prophetic significance! According to the Hebrew calendar, these days are set aside for repentance, turning away from unrighteousness, and asking God for mercy over our nation!

Additionally, we are asking everyone to fast with us on the Day of Atonement, from sundown Sunday, September 20th through sundown Monday, September 21st.

We know the Lord has called us for such a time as this, and we know you, too, are an Esther or Mordecai for your generation. Will you join us?
